WALLPAPER SERIES

墙纸系列

作品的设计常是灵感乍现，更是一场辛苦而严苛的劳作结晶。有时，为了一小段纹理的完美，创造者们常要亲手实验性的雕刻千万次。智慧和汗水，痛苦和煎熬总是如影随形，但无论创作的过程有多少艰辛苦痛，我们只想让你感知到这份纯美的艺术享受。

The design of works is often not only a result of inspiration, but also a crystallization of hard and tough work. Sometimes, to reach the perfection of a short period of the texture, the designers often have to do experiments ten million times personally. Wisdom and sweat, pain and suffering always come together, but no matter how hard the process of creation, we just want to let you perceive the pure beauty and enjoyment of art.
